# Chocolate cupcake with rose

Materials:
- 1/3 piece of felt (dark brown)
- LR0163 (Red Rose)
- LR0162 or LR0163 (leaves)
- LR0164 or LR0196 (the creamy white underside)
- White seed beads
- White pearl bead (6 mm)
- Brown DMC (2 wires used)
- Needle and white yarn for rocailles
- Glue, scissors, toothpick and filling materials

Method

1. Cut out the pattern of the cupcake and pin it on the brown felt.
2. Cut it out without a seam.
3. Cut using the machine the flower, the leaves and the white underside out of felt.
4. Pin the white bottom to the top of the cupcake and sew using the seed beads. Sew the bottom of the cupcake with the blanket stitch.
5. Attach the top of the cupcake and start to sew (even blanket stitch). Leave a part open of the top to, fill the cupcake. When it's filled close it up.
6. Decorate the top with the flower and the leaves. You should first sew the beads to your flower or leaves. You can attach your decorations easily with some glue.
